Pupil Curriculum Leaders

This term Pupil Curriculum Leaders have been gathering pupil voice on homework.

PCLs were tasked with finding out what makes homework useful. Over one hundred pupils were surveyed from years 7-10.

Here is a flavour of what pupils said about homework. PCLS have fed back to Curriculum Leaders.

PCL name: _____			
Subject: _____			
Pupil's first name	How useful do you find homework in this subject?	Please explain why you do, or do not, find homework useful in this subject?	Do you have any suggestions to improve the homework set in this subject?

Inside this issue:

Pupil Curriculum Leaders	1
Academy Council	2

“It helps me remember facts and quotes from Romeo and Juliet.”
Y9, English

“It’s good to revise and catch-up on missed work.”
Y10, Computer Science

“It helps us remember things from the lesson and lets us explore more of the topic.”
Y7, History

“It’s less stressful to have time to complete the work at home.”
Y10 Business Studies & Enterprise

“It helps the key terms and concepts stick in my memory.”
Y10, Philosophy & Ethics

“Quizlet is very useful because you can test yourself and it tells you when you are right or wrong.”
Y7, French

“It gives me time to finish my work and complete it to a higher standard.”
Y10, Art

“It’s useful to get your parents involved.”
Y7, Maths

Summary

PCLs discovered that pupils find homework most useful when:

- it helps learn key words and information
- it gives an opportunity to practise recall of knowledge
- it gives a chance to practise skills
- it provides a way of catching-up on missed work
- it helps pupils to improve their work
- parents can be involved.

Christie Fundraiser Thursday 23rd May

The Year 9 Academy Council team raised a staggering £947.52 from their charitable auction.

Thank you to everybody who supported us with a special evening.

Academy Council and Eco club

The Academy Council have completed two single use plastic bottle collections across all form groups. Our first bottle collection consisted of 1,190 bottles and our most recent bottle collection was a colossal amount just short of 3,000.

The team have started work on the garden and greenhouse but there is still a lot of work to be done, this will take place again on Wednesday 17th July and hopefully our greenhouse will be up ready for the summer.
