28th April 2022

Dear Parent/Carer

YEAR 10 OPTIONS

It is that time in the Year 9 calendar for the Options process to begin and I am delighted to be able to invite you all along to the Launch event that will take place in the Main Hall here in the Academy on Thursday 5th May.

The Hall will be set up in a 'market stall' layout with teachers of all option subjects on hand to provide you with all the information you may require and hopefully address any questions that you might have. You will then be in the very best position to guide and support your child to make the most informed choices during this important part of their schooling.

The event will run from 4.00pm until 5.30pm. Although there will be no formal presentation during the evening, Leaders and Support Staff will be available to provide further guidance for any pupils or parents who have general queries about the process itself.

The **Year 9 Options Booklet 2022** is enclosed with this letter, which provides some of the more technical details about the various KS4 courses that we are offering here at Shavington Academy.

The Options form itself will be completed and submitted online. A link to the form will be sent out after the Launch and the deadline for submissions will be Thursday 26th May.

Please do take time to reflect and discuss this process with your child and make your informed choices when your final decisions have been reached. Please only complete the form once to avoid any complications when we are processing your choices. As always, we will try our very best to satisfy all pupil choices but regret that this may not always be possible. If there are any problems with the three Options your child has selected, we will contact them and you at the earliest possible time to try to find a solution.

Yours faithfully

Stuart Donald
Deputy Headteacher
